

Yukon River Towing is seeking applicants for the following positions for the Emmonak Eastside Water and Sewer Improvements beginning spring 2018 until September 30, 2018

- Laborers
- Operators

Wages: Davis Bacon- if working directly on the job site

Requirements:

- Must abide to YDFDA's Board Approved Drug and Alcohol Policy
 - Must pass drug test
 - Must be sober when at work
- Preferable Certifications
 - Electrofusion
 - AK Driver's License
- Must be able to work 10-12 hour days. 7:00 am to 7:00 pm, 7 days a week
- Must have prior experience in the following:
 - installing arctic pipe, helical piles, electrofusion, plumbing in service/utility boxes, residential plumbing

This project is a time sensitive project so employees must:

- Schedule time off with supervisor prior to taking a day off, preferably 2 (two) days prior to taking time off
- Attendance is crucial
 - Employee needs to call or text before 7am if you can't be there
 - Get one pass and second time you are done

If you have a resume, please include it with the application or provide a detailed list of experience

Please contact Marilyn Charles at the YRT office 907-949-1370 or email at marilyn@yukonrivertowing.com
