

## Yukon River Towing

### Project Manager Position

Yukon River Towing LLC (YRT) is taking applications for a project manager position to work primarily in the Lower Yukon region in Western Alaska as well as Anchorage.

YRT, based out of Emmonak AK, is a general contractor doing commercial construction projects in the Lower Yukon region. We perform building construction, civil and utility work. Additionally, we operate two small tugs, mainly hauling gravel and equipment in the Lower Yukon River.

The project manager will interface will subcontractors, suppliers and crew as well as architects and engineers. They will provide problem solving to address issues and changes on site, delays, emergencies and other problems that may arise.

The following skills are required for this position:

- Project management degree and 3 years' experience with commercial – both building and civil – projects. If applicant has no degree then a minimum of 5 years' experience on jobs over \$2million.
- Technical skills and understanding of construction methods, contracts and blueprints.
- Proficiency with Microsoft Project, Word and Excel
- Proficiency with WinEst or other estimating software preferred
- Proficiency with preparing and reviewing submittals, change orders, RFIs, project schedules, daily reports and other construction related paperwork
- Proficiency with reading plans, doing take-offs and preparing estimates and proposals
- Must be able to solicit quotes for materials and subcontractors
- Must be able to work in remote/off the road system areas.
- Must be able to work 7 days per week, 10-12 hours per day.
- Must be able to work with diverse groups of people
- Must have a valid driver's license
- Must be able to pass a mandatory preemployment drug test

Pay dependent on experience.

Travel and lodging will be provided when in villages in the Lower Yukon region
